

Women's Ministry

Weekly Bible Studies

On Tuesdays and Thursdays from 10:00am -12 noon, women of various ages and stages meet in small groups to study the Bible together, pray and encourage one another, and enjoy morning tea. Some of us are married, some single, some have children, a few have great-grandchildren. We come from many different cultures and nationalities, but what we have in common is our interest in studying God's word and encouraging each other in our faith in Christ.

There is a group suitable for you, whether you are investigating Christianity for the first time, coming back to it after an absence, or are familiar with bible study. We meet during school terms (but not the 1st week back of any term). Creche (0-2 years) and a kids program (for ages 2 - 5) is provided, so you can relax and enjoy bible study and fellowship with other women.

We also offer evening groups, either single sex or mixed groups. There are groups that run throughout the year for people who want to investigate Christianity. Maybe you have always wanted to read the Bible and you never have. You can do this with just one other person if you like, or in a larger group.

Throughout the year we also have special events for women including Christmas luncheons, craft & cooking sessions and seminars to help us deal with life's matters from a biblical perspective including mental health, contentment, children's health and stress management. Please come along to any of our meetings, or for more information please contact the Church Office.
