

## Giving to missions

Mission is a partnership. We share in that partnership by supporting brothers and sisters serving God overseas through faithful prayer and practical and financial support. Our Missions giving policy

At Christ Church we do not send a percentage of general giving to mission support. Our policy is to encourage our members to specifically identify how much they intend to give to mission support. We believe this encourages thoughtful and prayerful mission giving and support. It is very important therefore that you consider where and how you are going to direct your missionary giving.

- If you have a specific missionary or agency in mind e.g. CMS or Pearsons etc. indicate this and we will forward your gift along with others quarterly.
- If you do not have a specific missionary in mind, and want to give to all our missionaries then indicate "Missions" and your gift will be distributed proportionally to all our link missionaries and some other key organisations such as Moore College and Anglicare.

We recognise that many of us also give to mission agencies directly. We would like you to direct giving for our link missionaries through the church so that we can make sure that together we as a church are giving sufficient support. In particular could you please direct your CMS giving through the church. If we all do this we will be able to budget our missions giving and work toward targets for mission giving together. 1. Cash/Cheque: Use an offertory envelope and clearly write "mission" or the name of the missionary organisation/ to which you like would the gift to be forwarded. Cheques should be made payable to "Christ Church Gladesville".
2. Electronic Transfer: This is the best way to give as it means; less money to count, less security risk, more consistent giving and easier budgeting for Parish Council. All you need to do is set up a regular transfer from your account. This can be done at the bank or via the internet.
